### Most Helpful Customer Reviews

**propane flow regulator** July 20, 2011

By [Nancy S. Kitchen](#)

**Amazon Verified Purchase**

Thank you for sendig the propane flow regulator. It solved our problem so we can now get hot water from our solar pipes. It came in a timly manner. I appreciate being able to get so many products at a good price from Amazon.

**NOT ENOUGH PRODUCT INFORMATION** October 12, 2010

By [F.L.](#)

This looks like a good value, but there is not enough product information.

What are the inlet and outlet threadings? From the photo, it looks like one is female NPT, but what diameter? It would be nice to know what fittings I would need before I bought this.
